Located on a quiet street in Beverly Hills 90210, this approx. 2900 square foot contemporary is designer styled inside and out, completely private and gated. It boasts an open gourmet kitchen with custom appliances, center island, a spacious living room with high ceilings and a fireplace. The master suite is private, with easy access to the pool and jacuzzi. There is also a large den with a full bath that could be converted to a 4th bedroom if needed. This property also features a generous grassy area with landscaped grounds, luxurious pool & spa with waterfalls and an outdoor fireplace adjoining the spa. The outdoors offers especially magnificent lighting ideal for entertaining at night. Just imagine sitting under the stars in the pool or jacuzzi amidst this enchanting setting!

Offered at \$2,099,000
